Brazilians are mostly descendants of Portuguese settlers, post-colonial immigrant groups, enslaved Africans and Brazil's indigenous peoples.

Who is a Brazilian citizen?

Brazilians (Portuguese: brasileiros, pronounced [brazi'lejrɐs]) are the citizens of Brazil. A Brazilian can also be a person born abroad to a Brazilian parent or legal guardian as well as a person who acquired Brazilian citizenship. Brazil is a multiethnic society, which means that it is home to people of many ethnic origins.

How to talk about Brazilian culture?

It is not an easy task to briefly talk about Brazilian culture. With the wide range of cultures in Brazil, it would be necessary to write a thick book to cover all of our customs, and even then, you would only scratch the surface of this country with continental proportions.

How many Indians live in Brazil?

The Brazilian population has three major components. Somewhere between 2.5 and 5 million Brazilian Indians inhabited Brazil when the Portuguese first arrived in the early sixteenth century. Divided into many different cultures with distinct institutions, Brazilian Indians spoke a large number of languages.
