Who is cosmic solar?

Cosmic Solar, Inc. provides Solar Energy Solutions to Homes and Businesses across Southern California. We provide our customers with state-of-the-art solar technology, the best value for their investment, best products and services, our unconditional guarantee for complete customer satisfaction.

Does cosmic solar have a service department?

A: As always, Cosmic Solar and Roofing is here to help with any solar related servicing and repair. We have a full scale service department, led by Service Manager, Khiry Fitzgerald, and he may be reached at service@cosmicsolar.com or phone/text at (442) 217-9990. Q: Long term, if SunPower is not around, who will service my product warranty?

How do I contact cosmic solar & roofing?

Here at Cosmic Solar and Roofing, you can always email service@cosmicsolar.com with any warranty questions. In September 2024, SunPower announced they would be selling their leased systems to another solar provider who would help facilitate the transition in order to service these leases and solar systems in the field.

Does cosmic solar offer a tax credit?

The US Federal Government is still offering a Solar Tax Credit of 30% through 2032. Now is your chance to work with Cosmic Solar and have a direct credit applied to your federal taxes. Request a Free Energy Evaluation!
