What is a Dakota lithium battery?

All guaranteed by a world beating, best in class, eleven (11) year warranty. Built for use in off-grid electrical systems powered by solar energy, Dakota Lithium batteries will give you twice the run time as your AGM or lead acid house battery while lasting 8x longer, providing exceptional lifetime value.

What is Dakota lithium?

Dakota Lithium is a battery brand built for abuse during long North Dakota winters. They combine lithium chemistry with North Dakota grit to build better batteries that help power your passion from morning to night.

Does Dakota lithium have internal heating?

Dakota Lithium's legendary LiFePO4 cells and now features internal heating for all-season performance. Perfect for deep cycle applications like trolling motors, RVs, home solar, and boating, it delivers reliable, long-lasting power even in extreme cold--so you can stay powered no matter the conditions.

Backed up by a best in class 11 year warranty. 100 Ah (Amp hours) of capacity is optimal for larger 24V trolling motors. Ideal for deep cycle applications in marine environments where you need lots of ...

Our Battery delivers (200% More Power, 1/2 the Weight, Charges 5X Faster, and Lasts 4X Longer than traditional SLA batteries). Our batteries are backed with friendly U.S. Customer/Technical Support ...

Shop Dakota Lithium 24V batteries for trolling motors, solar, and mobility devices. Lightweight, powerful, and built to last. Upgrade to lithium today!

This 24V / 36V battery package combines 2-3 of our award-winning DL 100Ah batteries in series, giving you the power to fish from morning to night. 100 Amp hours (Ah) of capacity is optimal for larger 24V ...

This 24V battery package combines two of our award winning DL 100Ah batteries in series, giving you the power to fish from morning to night. 100 Amp hours (Ah) of capacity is optimal for larger 24V ...

Exceptional energy density with 100 Amp-hours in a Group 24 case. This battery includes a waterproof CANbus pigtail for easy installation. 7-pin CAN plug with hardware included. We are sorry, but we ...

Dakota lithium 24v 100ah

Engineered with Lithium Iron Phosphate (LiFePO₄) technology this battery set has twice the power, half the weight, and lasts 8 times longer than a sealed lead acid battery - providing exceptional lifetime ...

This 24V / 36V battery package combines 2-3 of our award-winning DL 100Ah ...

Replace 2 lead acid batteries with two group size 24 24v 50AH LiFePO₄ batteries wired in parallel giving you 100Ah of power! Each battery weights in 26.75lbs and is currently the best 24v all day battery ...

This 24V lithium trolling motor battery set is designed for larger 24V trolling motors and marine environments. Built with Lithium Iron Phosphate (LiFePO₄) technology, this battery set provides ...

Pair this battery set with Dakota Lithium 24V chargers or solar controllers for a complete ecosystem. Whether upgrading a trolling motor, powering a golf cart, or building a solar bank, it delivers ...
