Where is Sri Jayawardenepura Kotte located?

Sri Jayawardenepura Kotte, city and legislative capital of Sri Lanka. It is located in the southwestern part of the country, about 5 miles (8 km) southeast of the commercial capital of Colombo, of which it was once a suburb. An urban council governs Sri Jayawardenepura Kotte and the neighbouring town of Nugegoda.

What is Sri Jayawardenepura Kotte known for?

Sri Jayawardenepura Kotte, commonly referred to as Kotte, has a long and storied history dating back to the 14th century. It was originally established as the capital of the Kingdom of Kotte by King Nissanka Alagakkonara, a local ruler who fortified the city with impressive ramparts and moats.

Why is Kotte the capital of Sri Jayawardenepura?

Despite the city's urban character, it contains a number of rice paddies and plantations. As Sri Jayawardenepura Kotte, it was the capital of the Sinhalese kingdom of Kotte from 1415 to 1565, largely owing to the lagoons, rivers, and swamps that still encircle it and provide a natural defense.

Why should you visit Sri Jayawardenepura Kotte?

For travelers interested in both history and modernity, Kotte (as it's commonly known) provides a fascinating contrast to the hectic streets of Colombo while still being closely connected to it. Sri Jayawardenepura Kotte is located approximately 10 kilometers southeast of Colombo, making it easily accessible for visitors based in the larger city.

Sri Jayawardenepura Kotte, city and legislative capital of Sri Lanka. It is located in the southwestern part of the country, about 5 miles (8 km) southeast of the commercial capital of Colombo.

Many certified locations are run by local entrepreneurs, artists, and families--so your visit directly supports the Kotte community and its cultural preservation.
