Meet the leadership team at Arnergy, driving our renewable energy mission for a sustainable future.

The company was started in 2013 by Femi Adeyemo, the incumbent CEO, and Kunle Odeunmi from personal savings and capital. In July 2015, Nigeria's Bank of Industry invested in the company to fund a project to provide rural communities with off-grid solar systems which was also supported by UNDP. In December 2015, the Solar Nigeria Programme, part of the Department for International Development (DfID), ...
