There is no clear statement about how long the opened Moutai can be stored. But pay attention to using the above methods for proper storage to extend the shelf life of the wine.

According to the experience of professional wine tasters, Moutai liquors with a storage time of 10-30 years are most suitable for tasting. The wine that condenses the charm of time is ...

After this, wrap it in a damp muslin or cloth and allow that to dry, this ensures that no light can get in and break down the ethanol bonds and again damage the flavour.

If possible, Moutai can be stored in a wine cellar or wine cabinet with constant temperature and humidity. This is the best storage environment. Generally speaking, the ...

Although there is a saying that "the older you get, the more fragrant it is", not all Moutai is suitable for long-term storage. Generally speaking, 53% Feitian Moutai is suitable for long-term ...

According to the experience of professional tasters, Moutai with a storage time of 10-30 years is most suitable for tasting. Pour the wine condensed with the charm of time into the glass, and ...

Moutai with a metal cap should be stored for a long time, as long as it is stored in a cool and dry environment, and it should be protected from light, heat and moisture.

After opening, Moutai wine has no collection value, let alone long-term preservation, otherwise the taste may become lighter or even deteriorated, and even drink can not be drunk.

Us ordinary collectors only need to find a dry, dark place and away from the air conditioner at home for long-term storage. When storing, you can seal the bottle with a plastic tape to prevent ...

How long can Moutai be stored in a storage cabinet

As long as the unopened Moutai does not run away, the storage environment is cool and ventilated, protected from light and moisture, it is not a problem to store it for 50 years.
