JUNENG is mainly engaged in technology research, new product development, manufacture and sale of new energy power.

This not only delivers excellent photoelectric conversion efficiency and power generation performance but also maximizes installed capacity within limited rooftop space.

Our company is a team with a first-class team and a lot of research and development technology. Hainan Juneng New Energy Development Co., Ltd. was established in 2019 with a registered capital ...

Hainan Juneng New Energy Development Co., Ltd. was established in 2019 with a registered capital of 10 million yuan. Its address is Room 201, Building 3, Greenland City Yiyuan, No. 2 Haiyu Avenue, ...

Suzhou Juneng Power Generation Corollary Equipment Co.,Ltd. is one of the world's large-scale metal structure manufacturing enterprises.

Juneng Jiu Technology is a high-tech enterprise integrating the R& D, manufacturing and sales of solar panels, solar controllers, car inverters of solar system and so on.

In recent years, Juneng has introduced advanced solar panel technologies, including bifacial solar modules and high-efficiency double-glass panels. These innovations allow for greater ...

With a complete after-sales service system and global logistics network, Dongjun Photovoltaic is continuing to provide reliable support for the green energy transformation in Asia-Pacific, Europe, ...
