---

Vinatech Co., Ltd. started as an electronic components trading company specializing in tantalum capacitors and, later in 2004, it expanded its business to manufacturing super capacitors, ...

This article profiles the top 10 global supercapacitor manufacturers providing state of the art ultracapacitor cells and modules catering to varying energy, power density and form factor ...

The leading Supercapacitor Manufacturers in South Korea are listed in this directory. You can narrow down the list of manufacturers based on their location and capabilities, browse their product catalogs, ...

Samwha Capacitor is a specialized manufacturer of Passive Components such as Capacitor, MLCC, DCC (Y-CAP), EMI Filter, Varistor, Chip Bead & Inductor, Power Capacitor, Supercapacitor.

Purechem which manufacturer of radial lead type Supercapacitors and Capacitive Deionization (CDI) in Korea.

VINATech, established in 1999, has developed and produced SuperCapacitor and Fuel Cell Membrane Electrode Assembly(MEA) and is equipped with smart factory based production facilities with the ...

The supercapacitor market is witnessing rapid growth, driven by the increasing demand for efficient energy storage solutions across various industries. These top 7 manufacturers are at the ...

Major players operating in the supercapacitor market include Maxwell Technologies (US), LS Materials (South Korea), Nippon Chemi-Con Corporation (Japan), Eaton (Ireland), and CAP-XX (Australia).

The super capacitor market in South Korea is characterized by a dynamic competitive landscape, driven by increasing demand for energy storage solutions across various sectors, including automotive, ...

# South Korean Farad supercapacitor manufacturer

PUREECHEM from South Korea develops and produces innovative supercapacitors that differentiate from other manufacturers through a higher vertical range of manufacture. PUREECHEM develops ...
