What are NEMA rated outdoor Telecom enclosures?

NEMA-rated outdoor telecom enclosures are cabinets that meet specific application requirements to withstand outdoor elements. They come in various NEMA standards such as 3,3R,4,4X,and 6. Our telecom outdoor cabinets are factory tested,field proven,and worry-free.

What are outdoor telecom enclosures?

Outdoor telecom enclosures are structures designed to protect and house telecommunications equipmentoutside. They come with a range of options including cable management,thermal management,environmental protection,and integration. All these solutions and enclosure products can be custom-made. KDM relies on custom and standard NEMA standard telecom cabinetsto protect their internal equipment.

Are KDM's outdoor Telecom cabinets IP65 rated?

IP65 is one of the ratings for KDM's outdoor telecom cabinets. Outdoor telecom cabinets are often rated with IP65 and up,or 4/4X and up. There are 3-4 main signs that are common on outdoor telecom enclosures,but there are also 3 different levels of warning that are used in conjunction with symbols.

Are KDM's outdoor Telecom cabinets NEMA rated?

KDM offers any NEMA type from 1 to 13,including subtypes,such as 3R. Our NEMA enclosures are protected against weather,corrosion,and oil seepage. Outdoor telecom cabinets from KDM are often rated with IP65 and up,or 4/4X and up.

Charles Universal Broadband Enclosures (CUBE) are constructed to withstand the elements and provide superior protection for active electronics in all environments.
