The screws that appear in Isaac's head may be a reference to Frankenstein's Monster. The effect of this item was completely changed from the original Binding of Isaac.

If Isaac has an active item in the consumable slot, batteries prefer to charge the active item slot first. Holy Mantle and similar effects will block the damage from the Golden Battery, allowing for infinite ...

Documenting the different combinations of items available through the Bag of Crafting item in The Binding of Isaac: Repentance.

Allows active items to store an additional full level of charge. Extra charges appear as yellow bars on top of the normal charge meter. The Battery is a passive item in The Binding of Isaac.

The official subreddit for Edmund McMillen's Zelda-inspired roguelite, The Binding of Isaac!

Everything you need to know about The Battery from The Binding of Isaac series. Visit <https://tboi> for more Isaac item info! Nicalis official website: <https://nicalis> ...more

Active items can store an extra level of charge, allowing them to be used twice in one room. Extra charges appear in yellow over the normal charge meter. Activated collectibles can be "overcharged" ...

If Golden Batteries have not been unlocked yet, they will be replaced by a random Battery pickup in any room layouts containing them. Holy Mantle and similar effects will block the damage from the Golden ...

In BoI: Rebirth, do seed "2XSJ 7KJ3", go left, get the blank card, don't use it or pick up the battery, and go down where you can find a jera rune (if you unlocked it). use the blank card and ...

Enter a room with enemies and wait for the battery to give you three charges. Enemies can be killed, but leave at least one enemy alive so that the room is not completed
