Medical isolation power distribution cabinet is designed for medical group 2 power supply requirements  
sulation monitoring device installed in IT system.

Eaton has a variety of industry leading three-phase UPS solutions that deliver efficiency and scalable battery runtimes while offering a smaller footprint and lower total cost of ownership.

Discover our range of products in Room Power Distribution: Galaxy Power Distribution.

Our high-end coordinated products and systems enable electric power distribution in hospitals to be fully integrated, ensuring optimized installation and operation. This forms the basis for long-term ...

a tropical storm knocks out power in Manila, but a sleek metal box hums quietly nearby, keeping lights on for a hospital. Meet the energy storage container - Southeast Asia's unsung hero in ...
